Charity Golf Scramble

Once again our brothers prove there is nothing they will not do when it comes to raising money for charity. Six knights along with their friends braved the oppressive temperature of 102 degrees on Wednesday, August 8th, to trudge up and down hills, forage in and out of countless woods, as well as move mountains of sand, just to raise money for our worthy charities. After more than four grueling hours in the scorching sun, our own Worthy Grand Knight Dale Anderson, along with three semi-professional golfers beat the other teams into submission at our 2007

Charity Golf Scramble. While Dale has never played golf before, he understood up front that it was the "TEAM" that was important. His team of Pros was more than a match for the pitiful hackers making up the remaining two teams. As you would expect, they also had the players that won longest drive and closest to the pin prizes. The only award not snatched from the rest of the field was longest putt, made by our own Treasurer, Dick Scherrer. Money was made, fun was had, and heads-necks-arms and more were burnt, but it was a great time for all! *Chuck Durbin.*

Wow a lot to talk about this month! First I received exciting news yesterday from Supreme. It's Official! We achieved Double Star Council last year! What an accomplishment and award for all the hard work you all did. Membership was the key, and also is the key for us to see continued success. I will ask you all again to ask a friend, relative or acquaintance to join, remember they will not join if YOU don't ask!

More brothers volunteered during August than any month I can remember, most all in the same day. We had Knights at St Patrick Church at a successful grounds cleanup effort. Several brothers helped our new Archbishop move in, many took the time to talk and get to know him. None of them will talk about his favorite teams (not the Louisville Cards or U of K). Everyone I talked to said Archbishop Kurtz is very friendly, appreciative and very pro Knights of Columbus. Several brothers also worked at the St. Josephs Orphans Picnic serving, cleaning trash and filling ice bins and more. I will say I woke up with good sore aching muscles on Sunday. I will bet if you ask any of the brothers working at one of these projects, they will gladly say they will do it again. Consider joining us on one of the many upcoming events and work side by side with a brother Knight.

We had a Golf Scramble for charity, yes I swung a club for the first time in my life. I met some great new friends, and had a great time in the heat (it really was not as bad as you would think). When is the next one Chuck? In one weeks time approximately one third of our council participated in one event or another. Great effort brothers!

Guys, please consider helping the next few months while we recruit new members and hold several Tootsie Roll Drives for the Intellectually Challenged. We have a banquet scheduled and let's not forget our annual Youth Halloween party. Make the most of being a Knight, PARTICIPATE!

Vivat JESUS!

St Patrick Parish Clean Up

On Saturday August 11 the Knight of Columbus assisted in the St. Patrick Parish Clean Up. We primarily weeded all of the flower gardens and mulched around all the landscaping within the school and church grounds.

A special thanks to Brother Steve Hughes and his son, Ryan, for their leadership and coordination of this stewardship activity.

Awards Banquet

Spend an evening dining with brother Knights and their wives and congratulate each other for many jobs well done. Learn who the Knight of the Year and Family of the Year are for 2006-2007. The event will be held at The Corner Café on Saturday October 13 at 7pm, RSVP is a must, contact Charlie Rhodes at 426-7309

Family of the Month - Don & Vicky Schweinhart

Donald and Vicky are very active within the Ascension Church Community. They both serve on a number of ministries. Specifically they are active with the Adult Choir and Lecturer ministries. Donald and Vicky are excellent role models due to their caring nature of one another, faith and their families active stewardship.

Insurance Matters . .

If you're like me, you derive great joy from your children. It's a great feeling when a teacher, coach or fellow parent compliments you on your child.

We all know that raising children these days is no easy task, especially when the values we're trying to instill in them – concern for others, accepting responsibility for their actions, saving money rather than spending it – seem to run counter to what society is trying to teach them. Yet these are exactly the values that tend to draw compliments from teachers, coaches and fellow parents.

We also know that the best way to teach is by example. If you carry enough life insurance to protect your family - and if you share with those of your children old enough to understand why that's important, you're exhibiting and imparting many of the values you hope your children will absorb.

You'll show them by example that you love them and are concerned about their welfare. You'll show them that you take your responsibility to provide for your family seriously, and that you want to make sure that they're provided for even if you're not around. And you'll show them that investing money in your life insurance protection

is more important than the new set of golf clubs you might want, the newest and best home theater system you've had your eye on, or whatever else you might be sacrificing to pay the premiums.

Sure, they'll probably roll their eyes at you as you're explaining this, and they'll certainly moan and groan if they can't get the newest CD, video game or piece of clothing. But they learn from what you do – just like they learn from what you don't do. What lessons do you want to teach them?

I want to meet with you to review your existing coverage. Based upon that review, and on the comprehensive needs analysis that I'll perform, free of charge, we'll be able to put a plan in place that will meet your needs, goals and budget. Give me a call

Please let Bob Rucinski know if you have any bikes needing pickup or if you know of friends or family who would like to give to our cause.

I recently met with the owner of bluegrass Bicycle, Bob Clifford. He is receptive to our bike repair program and has offered to donate \$100 in bike parts to our repair cause. Any parts over the \$100 mark will be sold to us at his cost! His shop is located at 6613 W. Highway 22 just before Dairy Queen in Crestwood.
