SOKY TRUCK PULL

The Truck Pull is scheduled for Saturday September 26th again at 4th Street Live. Some changes have been made: the truck will be heavier (last years top team pulled under three seconds); teams will consist of 15 team members; each team member must raise \$100.

We have 5 members confirmed!

Lonnie Brown, Miguel Camara, George Hayes, Phil Hundley and Paul Martin. Phil Hundley will be Captain (I am sorry, I have family plans that weekend). I will still do some fundraising, I will miss the pull experience.

Thank you all for joining, please respond ASAP if you wish to join the team

Grand Knight's Letter

Brothers

Last month, I requested feedback from all Inactive Brothers by asking to please take a moment to briefly respond to me, via email (ZODIAC2FISH@INSIGHTBB.COM), your opinions as to what your Council Officers could do to regenerate your interest. I stated, "Do not concern yourselves with being politically correct"; your officers are open to all comments.

As of this writing, I am disappointed that no one has replied. Come on Brothers, this an open invite to share your thoughts and feelings as to what it is we are not doing right or whatever and for you to assist in strengthening Bishop Flaget Council.

The officer's installation ceremony and installation dinner was held Saturday July 25, 2009 with 27 attendees. Special guests were Deacon Jim Stanley and his wife Tess, along with our District 10 Director Norm Pallarito and his wife Jean. It was great to break bread with all who attended.

Our next meeting is Tuesday September 1, 7pm at St. Patrick's.

Vivat Jesus,

Bob Rucinski, GK

Insurance Matters

Walter's Story

BY THOMAS P. SMITH JR.
EXECUTIVE VICE PRESIDENT
(AGENCIES AND MARKETING)

During 2008, one of our general agents from New York, Rich Malek, lost his father, Walter. Many of us at the Supreme Council headquarters in New Haven, Conn., knew Walter from a visit he made to one of our manager meetings in Florida. "Pop," as Walter was affectionately known by his son, was a great guy, and Rich misses him deeply. It was a storybook father-son relationship. While Walter was alive, Rich and he spoke every day — and from spring through fall, the main topic was the New York Mets. Walter was also his son's first client when Rich became a field agent. When Rich joined the Knights of Columbus sales force, he sold his father a life insurance policy that covered his needs and continued to grow in value until his death. A retirement annuity found its way into Walter's portfolio as well. Interestingly, Walter bought the annuity at age 58 as an Individual Retirement Account (IRA). He religiously paid the maximum amount into his annuity each year (\$1,500 at the time) for seven years, until he reached the mandatory retirement age of 65. What then? Walter's agent/son recommended that he annuitize the product and let the Knights of Columbus pay him a monthly sum — guaranteed — for the rest of his life. In case something were to happen to his father soon after retirement, Rich made the option that we call a "ten year certain", which means that the monthly income would go to Walter's beneficiary for at least ten years after his death. Well, thanks be to God, Pop lived to the age of 92. So, let's do the math. Walter paid \$10,500 into his annuity during the seven years before he retired. The option he and Rich selected called for the Order to send him \$148 per month for the rest of his life. He got those checks twelve months a year for 26 years. Thus, the return on his \$10,500 investment was \$46,176.

Check your investments and see which ones are going to do that for you. Better yet, call your father and do what Rich did. Suggest he consider a Knights of Columbus annuity. My thanks goes out to Rich for allowing me to share this happy story of a man who made the right decisions and who raised a good son. The Knights of Columbus was there for him, every month, for 26 years. We would like to do the same for you.

September is Life Insurance Awareness Month

When a loved one dies, many families are faced with financial suffering that may have been avoided with proper life insurance coverage. More than 68 million adult Americans have no life insurance at all, and those with coverage have far less than needed to ensure a secure financial future. Will your family or business be adequately taken care of if something unexpected happens to you?

If you need to purchase life insurance or re-evaluate your existing coverage, call your local field agent, or call me, Daniel Turnwald, General Agent, at 859-331-0249.

Stewards of Appalachia

Brothers,

Last year we had a request for donation from Stewards of Appalachia. This group primarily makes trips to the Appalachia to repair homes to make them habitable for the poorest of the poor. At our September meeting last year, we reached into our pockets and **gave what we could and raised \$195.00. The Council's Charity Fund contributed an additional \$100.00.**

Again we will be asking this of you at our September meeting. Any funds that we can collect will provide much needed resources to purchase material for projects and provide food for the volunteer workers. Hopefully we can meet or exceed last year donations of \$295.00. The Council Charity Fund will again match up to \$100 in donations. Make your donation count! Thank you for whatever your hearts feel that you can give.

Charlie Rhodes, 1st Year Trustee
