Special Olympics Spring Games

Brothers,

The Area 4 Spring Games are May 8th. They have a new location, but the same GREAT experience! We need 50 volunteers, let me know you will help this year! Yes this is a family friendly event!

The new location for the games is St. Xavier High School. If you have not seen their facilities, they are state of the art and phenomenal. Our athletes, coaches and volunteers will truly have a great experience. Not to mention that the staff and students at St. X are excited to be hosting this event and are eager to be involved.

St. Xavier is located at 1609 Poplar Level Road Louisville KY 40217

Grand Knight's Letter

Brothers,

Elections for officers of our Council will be conducted June 1, 2010. I am asking all members of our Council to come forward and offer their time and talents as a candidate for Officer Positions or as a chairperson for the upcoming 2010-2011 year. I especially address this to our Brothers from St. Patrick's Church, where our Council was originally founded. Our Council is comprised of men from several Parishes; however, I would hope to have more involvement from the 26 men of St. Patrick's. The strength and survival of our Council is directly attributed to the involvement of all its members, so please pray on this and answer your calling.

Easter is Sunday April 4th, the day we as Catholics celebrate the Risen Christ. We are still in the preparation stage as we anticipate this day. During this time we all pray and offer ourselves to be better men, women and children. We do what we can and hope our Lord hears us. As children we were told to give something up for Lent. Remember selecting candy or another special thing you liked to do? As adults, we understand our sacrifices are to aid and help others for a common good. As Catholics, we know in our hearts that there are people who do good deeds and sacrifice their time and resources to help others even though the news media prefers to present dramatic events of selfishness and evil deeds. Pray for our nation to see the value of the belief in a God who allows us the freedom of making our own decisions.

Grand Knight
Bob Rucinski

Please consider making our next meeting on Tuesday April 13TH. If you need a ride, let a Brother Knight know. Thank you and I look forward to seeing you at our next meeting.

Insurance Matters

WE CAN HELP

By Thomas P. Smith, Jr., Executive Vice President of Agencies and Marketing

In the January column, I wrote about the alarming statistic which tells us that about 50% of the households in the U.S. and Canada have no individually owned life insurance. If you recall, we talked about group life insurance and the tendency to get very comfortable that you are “covered” if you have this benefit at work.

But that certainly doesn't comprise the entire 50% block of people. What else could cause a person to carry no coverage?

The statistics for why people have not availed themselves of life insurance coverage are pretty clear, and they really don't change from survey to survey. First, let's look at the survey results (provided by the Life Insurance Marketing Research Association).

Why people don't buy life insurance:

74% list “can't afford the coverage” as a major reason they don't buy.

52% say a major reason is that they “can't decide what to buy.”

50% agree it is a good idea but “put it off until tomorrow.”

43% worry about “making the wrong decision.”

Let's examine each of these reasons. First, the vast majority lists a major reason as lack of affordability in the coverage, yet coverage is only offered if it meets your budget. It is in no one's best interest to offer you a product that you cannot afford. A good agent (like ours) goes through a process with you of determining what the affordable monthly cost is. For the record, a healthy non-smoking 40-year-old male can get \$500,000 of term coverage with the Order for just about \$1.50 a day.

If a client can't decide what to buy, the agent will help him decide, and a lot has to do with identifying goals and objectives as well as a budget. We offer term insurance, permanent insurance or a mix of both. We believe a combination of these products can solve all personal protection issues.

Putting the purchase of life insurance off can be costly, and we would recommend against that. You get older and premiums go up, and you run the very real risk that your health can change. A negative change in your health can cause your costs to increase, or cause you to be denied coverage all together. Delay can be disaster.

For those who worry about “making the wrong decision?” Well, we can help. You have to trust us. Our professionally trained agents work with hundreds of families just like yours. They know what to look for and what to recommend. A conversation with a K of C agent can help erase your doubt.
