Special Olympics Spring Games

Brothers,

The Area 4 Spring Games are May 8th. They have a new location, but the same GREAT experience! We need 50 volunteers, let me know you will help this year! Yes this is a family friendly event!

The new location for the games is St. Xavier High School. If you have not seen their facilities, they are state of the art and phenomenal. Our athletes, coaches and volunteers will truly have a great experience. Not to mention that the staff and students at St. X are excited to be hosting this event and are eager to be involved.

St. Xavier is located at 1609 Poplar Level Road Louisville KY 40217

Grand Knight's Letter

Brothers

Please take the time to read PGK Dale Anderson's excellent article enclosed in this month's newsletter.

I would like to reiterate what I wrote last month regarding the upcoming June elections. "Elections for officers of our Council will be conducted June 1, 2010. I am asking all members of our Council to come forward and offer their time and talents as a candidate for Officer Positions or as a chairperson for the upcoming 2010-2011 year. The strength and survival of our Council is directly attributed to the involvement of all its members, so please pray on **this and answer your calling.**"

Insurance Matters

IS THERE A GAP

BY THOMAS P. SMITH JR. Executive Vice President of Agencies and Marketing
Knights of Columbus Insurance

Last month we discussed the many reasons why people in general have decided not to avail themselves of life insurance protection. This month, we'll examine one more interesting set of survey results. Most people who are in the group that does have individually owned life insurance (about 50 percent of households in the U.S. and Canada) own enough to replace 3.6 years of income. The "years of income" number is an interesting one. It is really how you can measure what you will leave behind if something were to happen to you. If you earn \$60,000 per year in your job, that income allows you and your family to live the way you do today.

That lifestyle may be exactly where you want to be, a little bit more, or a little bit less. Regardless, it is where you are. Suddenly, you are taken out of the picture. Not an easy subject to discuss, but that's what life insurance is about, and you and I both know that it happens. It's happened to someone you know, hasn't it? When it happens, your employer, or your business, won't keep sending checks to the house. There will be some benefits, some unused sick time, some fund raising perhaps ... but it will end soon.

In the example I used above of 3.6 times income, the individual who earns \$60,000 per year would have \$216,000 of life insurance coverage. Sounds like a lot. But since it has to replace your income, it will last 3.6 years. Assuming a June 1, 2010, date of death, the family is out of money in early 2014. Then what? It's May of 2014, and the checking account is empty. What now?

A further interesting statistic: Those who admit to owning insurance that equals 3.6 times income then admit that they realize they should own more. In fact, a stunning 44 percent admit that they know they do not have enough coverage. That admission is made to a person conducting a survey. Imagine the conclusions that could be drawn if that man or woman sat down with an agent and had a heart to heart talk about family goals and objectives. Imagine the peace of mind that comes with knowing that May of 2014 can affordably be moved back to 2024 ... or 2034 ... or forever?

Think about it. How many years of income can you replace? How many years should it be? And then stop thinking and act. We would welcome the opportunity to help.

If you are interested in finding out more about the Knights of Columbus life insurance, please call your local field agent, or myself. I can be reached at 859-331-0249. We are here to serve the insurance needs of our members and look forward to working with you.

Do Something, even if it's wrong, Pick Me.

By Dale Anderson PGK

Brothers, I have been a Knight for nine years; I often ask myself, why did I join the Knights? I think of all the things available for us as Brothers and the answer is clear, over and over. I became a Knight of Columbus to “Do Something” to try to make a difference, even if for just one person. I decided to try it, if it’s not right, at least I tried! Better to have tried and failed than to have done nothing at all. I cannot take credit for the phrase, but I do believe in it. I also joined for the fraternal benefits and have met many new friends. Guys it has been my pleasure to know you. I guess I like it even nine years later!

So I ask, what do we think of volunteering, what programs are right for each of us? I assure you each program below and many others would all say “Pick Me” if they could talk. **When we think of the unborn, who will speak for those who can’t, Pick Me.**

When we think of Children with cancer, collect pull tabs and clean cabins. Pick Me.

When we think about the developmentally disabled, SOKY Athletes, Pick Me

When we think about bikes, do we think of giving adults transportation or giving children a big smile. Pick Me.

When we think home repair for the poor, think Repair Affair, Pick Me.

When we here the phrase “Keep Christ in Christmas” do you think of supporting men and women who are entering Religious Life, and how can we support them. Pick Me.

When we think of socializing with family and friends, do we think about our Brother Knights and their families, Christmas Parties and Picnics. Pick me.

When we think of our Parish Priests, have you offered your support. Pick me.

When we think of our Parishes, do we give our fair share. Pick me

When we think our Men and women in the service, send a phone card. Pick Me.

So now I ask, why did we become Knights of Columbus? Join us for a social event or one of our many service programs. If there is not something from the above or in our monthly newsletter that says “Pick Me”, contact any one of our officers to suggest a program that interests you. We are here to serve you, we are here to keep this council active. Now we need your help, do something, choose a program and pick me, you can’t go wrong!

Vivat Jesus.
