SOKY Regional Games

On Saturday May 8th, 50 brother Knights and family members gathered together at St Xavier's athletic fields for the Special Olympics Area 4 Spring Games. We again were the event venue directors for the Softball Throw. We registered, escorted and completed competition for 136 Athletes, more than ever before. Brothers from all area Louisville Councils joined together to get the job done.

Joining us again this year was our new Worthy State Deputy, Rick Arnold and his wife Celesta. I was honored to help Rick present a \$1,000 check to Dave Kirchner, the President and CEO of Special Olympics of Kentucky. If you have never participated in this event, consider joining us next year. It is always held the Saturday after the Derby. Watch the newsletter for details or contact me directly.

Dale Anderson, PGK

Grand Knight's Letter

Brothers,

The words *Vivat Jesus!* are much more than a slogan or password for the Knights of Columbus. In these words, "Jesus lives!" we find the foundation, meaning and mission of our Order.

When Pope Benedict XVI spoke for the first time in the homily at his installation Mass, he said, "The Church is alive — she is alive because Christ is alive, because he is truly risen." It is this reality of the Risen One that animates the work of the Knights of Columbus and why we greet each other fraternally with "*Vivat Jesus!*"

In his first homily as supreme chaplain at the state deputies' meeting last June in New Haven, Bishop William E. Lori spoke about the necessity of the earthen vessels of our lives manifesting the glory of the Lord. That, too, is the mission of the Knights of Columbus. As Benedict XVI reminded us at his installation, "the purpose of our lives is to reveal God to men."

Through our works of charity, the Lord's presence is made manifest, in so many ways, in our parishes, our neighborhoods and our families. This is why Charity remains the first and animating principle of our Order.

We are looking forward to another successful year. The next major program for the new year is the annual Indian Summer Camp cleanup scheduled for July 10th. Please contact PGK Greg Gitschier to let him know you and family members will participate. His email is: gitsch@msn.com, his phone number is: 254-2424

July is also our Council Officers installation ceremony and dinner. You and your spouse are invited to attend this important event. The installation is Saturday July 17th after the 5:30 PM mass at Ascension Church. Please join us for a group mass with the installation to follow in the Church. Dinner will be at 7:30 PM at the Corner Café. Additional details to follow via email.

Hope everyone will attend our monthly meeting on Tuesday July 6th at 7:00 PM. If you need a ride, let another brother knight know that you need a ride.

Vivat Jesus

Insurance Matters

Pay Yourself First

By Thomas P. Smith, Jr, Executive Vice President(Agencies & Marketing)

The year 2009 was a record year for members and their families availing themselves of our many benefits, and that included our flexible premium annuity product. This product is designed to be a savings vehicle during your working life that will provide income to you on a monthly basis during your retirement years. It is a simple but effective concept, and in our case it carries zero risk for you, the client. There are no variable elements in our retirement product — it 's all guaranteed. The concept: pay yourself first. You have an obligation to you! Because you may spend as many years in retirement mode as you spend in work mode, you need to plan for income during that period. Once you leave active employment, you begin to pay yourself. In order to accumulate the capital necessary to do that, during your working life you have to find a way to set aside some money each month on a consistent basis. Let' s take our product, as an example. You can open an annuity with the Knights of Columbus for as little as \$300. Then you can have an amount — as small as \$25 — taken out of your checking account on a monthly basis, and deposited in your annuity account. Painless. As time goes on, you can increase that amount when circumstances allow. The amount is almost secondary (I said "almost") to the pattern of consistency that you establish. Every month, something comes out of your checking account and goes into this product that will pay you back during your retirement. You owe it to yourself. But Tom, you may argue, \$25 a month is only \$300 per year ... what good will that do me? Agreed, although it is better than zero dollars per year, right? The plan here would be that you begin with something (anything) and increase it over time. And there is a cost to waiting, postponing the start date. If you are 30 years old and you begin the process with the initial deposit of \$300 and then \$25 per month, at our MINIMUM interest rate of 3 percent (guaranteed), at age 65 there will be \$18,983 in your account. Wait 10 years, and start at the age of 40 instead, and the amount on deposit drops to \$11,565. It 's never too early to start, and it 's never too late to start. But start. (Did I mention that our MINIMUM guaranteed interest rate is 3 percent?) This is a great idea for you to help yourself ... and our product is safe, secure and guaranteed. Give your agent a call and ask him to come by and show you how it works. One day while you 're enjoying a comfortable and worry-free retirement, you 'll thank me!

Are you interested in learning more about a retirement annuity? If so, contact your local field agent, or myself. We will be happy to meet with you and show you the benefits of a Knights of Columbus annuity.
