GOLF SCRAMBLE

I would just like to thank everyone that supported our Golf Scramble this year. We had a great turn out with twenty-three players, even with the hot temperatures. The winning team was my **son Charlie Jr.'s group and the last place finishers (I won't mention any names)** were presented Tennis Balls. Special thanks to Comstock Electric, Einstein Noah Restaurant and Production Specialist for being Hole Sponsors. We raised a total of \$778.00 for our charity & general funds.

Grand Knight's Letter

Brothers,

Another year is upon us and I look forward to your continued support. In the eight and one half years of existence Bishop Flaget Council has spun off two new councils and we continue to spread our wings. This year we add a Round Table at St Bernadette. That will make five parishes that our council has major representation.

July was a full month with Indian Summer Camp Clean-up, **Council Officers' Installation** and dinner, Bike Night and various parish summer picnics. Hope you read the great article in the Record last week on our Bike Repair program. It shows what a small group of men can do to improve the living conditions of those less fortunate. Many thanks to Dale Anderson, Bob Rucinski, Mike Lally and Bill Janes for their many long hours to continue this work of charity.

Although August is a quiet month for activities, (there will be a bike night on August 19th) it is a time for planning and building our committees for the new year. When a fellow Knight calls and asks you to participate on a committee or in a **program, just say "Sure"**. **As the Body of Christ, we can only be as strong as the members are strong.**

Vivat Jesus

Insurance Matters

Have you ever heard the expression “lazy days of summer?” While the hot weather may encourage a slower paced life, in many ways summer can be the busiest time of the year, especially for parents with school-aged children. And being busy, it’s easy to forget about such things as reviewing your life insurance coverage.

The purpose of this column is to encourage you to meet with your local field agent before the end of the summer. Whether or not you have life insurance with the Order, he’ll be happy to meet with you and make sure your coverage continues to meet your needs and goals. If you’ve had any life changes since you last bought a policy (new home, new child, new job, etc.), chances are your life insurance needs to be updated. Your field agent will work with you to make sure you have the coverage you need at a price that you can afford.

When you meet with your agent, you’ll discover that the time you’ve spent together will be time well-spent. Let’s get together soon. Because summer is not only busy, it’s also coming to an end.

OFFICER'S INSTALLATION

We had another great turnout for the new Officers at their Installation after Mass at the Church of the Ascension. Fr. Gary Padgett our Chaplain and District Deputy Norm Pallarito officiated over the Installation, with a total of twenty-eight Knights and their wives attending. Dinner was enjoyed by all at The Corner Café to wrap up at great evening.

Will You Care?

Sandra and I just returned home from the State of Kentucky K of C Installation of Officers Mass and Banquet. I admit it was nice to be recognized for my work with Special Olympics by our Immediate Past State Deputy Billy Hancock. My biggest takeaway from the evening is the remarks from our new Worthy State Deputy, Rick Arnold. There were many high points and great stories throughout the day and evening, but during his closing remarks, Rick talked about recruiting. He talked about many of our Past State Deputies, Vice Supreme Masters and many Knights both still living and deceased I had met at past State events or had heard of. The question Rick then asked, who do you think asked them to be a Knight? What would happen or more important, what may not have happened if these men were not asked? **So let's bring this closer to home, who asked our Council founder Greg Gitschier to become a Knight, would I be writing this article? Would many of us even know each other? It does not matter who asked, what matters is someone cared enough to ask!**

Will You Care?

Rick finished by saying we have 10,000 Brother Knights in Kentucky. What would happen if we had 20,000 members, 30,000 members or even 40,000 members? What kind of presence would we have with this kind of membership, how much good work could be done with **this kind of membership. ASK! They won't join if we won't ask. Everyone of us has friends in church, let's all make an effort to care, care about helping the church, spreading God's Good Word, our work with charities, caring about those who can't or even won't. ASK a friend,** family member or acquaintance from church. Lets all work together to recruit new members.

St. Bernadette's Festival

I would like to thank all the following for their help at the St. Bernadette's Festival on July 9th. Mike Hord, Chuck Durbin, Dan Wetzel, Bob Rucinski, Mike Welch, Dennis Welch and my wife Darleen Rhodes. I received a reply from the Festival Committee thanks us for all our help in making it a great success, this being their first year.
