## St Mary's Center Basketball Tournament

As you may know, the St. Mary's Tournament has a long and warm relationship with the Knights of Columbus.

St. Patrick will host a venue for this super event on Saturday February 5th from 8 AM (set-up) to 4 PM (clean-up). Many of our brother knights have volunteered at this event in the past and I welcome and look forward to your continued support. If you have never been to a Special Olympics sporting event, I would encourage you and your family to stop by and volunteer a few hours, watch some games, and serve some very special athletes. I guarantee you will get a lot out of the experience. No basketball knowledge is required -- just your presence is all that is needed. (although we do need a couple of folks per shift who know how to operate the scoreboard and game clock, and a game announcer). Contact Larry Jones 376-7773

# Grand Knight's Letter

Brothers,

I would like congratulate our Recorder, Ray Madore, for completing his 2nd and 3rd Degree in January. Next Sunday, January 30th, is the Clergy Appreciation Dinner at 3 pm at St Martha's and tickets are still available. Come visit with your parish priest and the Archbishop! St. Mary's Center Basketball Tournament is coming up on Saturday February 5th at St Patrick's gym. Please see the article from Larry Jones on the front page. Make sure you volunteer when the call goes out for help.

Vivat Jesus,

GK Dick Scherrer

## *Insurance Matters*

### ***Leave a Legacy of Love With Life Insurance***

You want your loved ones to have lives filled with happiness, comfort and opportunities, and you work very hard to make that happen. But what would happen to your **family's quality of life if you were suddenly gone and no longer able to provide for them? What would your legacy to them be?** Would they be able to make ends meet financially with you no longer in the picture? Could they continue to live in your home? Would a college education be possible for your children? In short, would the legacy you leave be one of financial hardship or **financial security? The choice is yours. Maybe you've been diligently saving money for many years and already have enough put away to guarantee a financially secure future for your loved ones. But if you're like most people, you probably haven't reached all of your long-term savings goals yet.**

**That's where life insurance comes in. When you've done the proper life insurance planning, you can rest easy knowing that your loved ones will be provided for after you're gone.**

To find out more about how life insurance can help you leave a legacy of love and financial security, contact your local field agent Chuck Durbin, 502-265-9227, Charles.Durbin@kofc.org or me.

#### ***What's In a Name?***

***It's called Life Insurance, but it could just as easily be labeled Love Insurance. You only really need to buy Life Insurance if you love someone or something—like your business or a favorite cause or charity. So if protecting the ones you love and the things you love is important to you, consider giving the gift of Life Insurance.***
