Stewards of Appalachia

Brothers, we have a request for a donation from the Stewards of Appalachia. This group primarily makes trips to the Appalachia to repair homes to make them habitable for the poorest of the poor. In the past we reached into our pockets and gave what we could and **raised \$195.00. The Council's Charity Fund contributed a matching amount up to \$100.00.**

Again we will be asking this of you at the July meeting. Any funds that we can collect will provide much needed resources to purchase materials for projects and provide food for the volunteer workers. Hopefully we can meet or exceed our previous donations of \$295.00.

If you won't be able to attend the meeting you may mail your check to: Mike Lally 3804 Fieldside Circle Louisville, KY 40299

Thank you for whatever you feel that you can give.

Charlie Rhodes, Trustee

Grand Knight's Letter

Brothers,

Summer is here along with all the Parish picnics! Make an effort to help out and show them the **support of the Knights**. **St Joe's picnic will be August 13th.**

Speaking of support, Saturday, July 9th, is the Annual Indian Summer Camp Clean-up. We will have more information on time and meeting location at our July regular meeting.

There has been a lot of inquiry from members **concerning the location of the Council's regular monthly meeting**. The Council was formed with the **majority of members being from St Patrick's parish**. We currently serve five parishes but have very little **active participation from St Patrick's Knights in Council activities**.

Insurance Matters

What if your last paycheck was your last paycheck?

Now, for the first time, the Knights of Columbus is able to offer you disability income protection. Introducing our newest product, Income Armor, which is designed to protect you and your family against the unexpected. Who Needs Disability Insurance?

Simply put, if you have a job, you most likely need disability insurance. The possibility of a disabling illness or injury may seem remote, but statistics paint a different picture. Nearly one in three women can expect to suffer a disability that keeps them out of work for 90 days or longer at some point during their working years. For men, the odds are about one in four. And one worker in seven can expect to be disabled for five or more years before retirement.

For many, a sudden interruption of income could have serious financial consequences. Most of us have some kind of personal debt, typically a mortgage or credit card bills. Would you be able to maintain your standard of living if you were too ill or injured to work for an extended length of time? Half of all home foreclosures in the United States result from disability, as do an alarming number of personal bankruptcies.

The other thing to keep in mind is that an accident or illness that keeps **you out of work for a period of time can be very costly. That's because people** who become disabled not only need to continue providing for loved ones, but for themselves as well. A disabling injury or illness could lead to medical bills, modifications to your car or home, or other unforeseen needs that can be quite expensive. For all these reasons, almost anyone who works—**whether they're** single, married, with children or without—should consider disability insurance. Contact your local field agent, or myself, to learn more.

Knights in Action

Baby bottles were distributed at St. Margaret Mary on Mother's Day and were to be returned on Father's Day filled with donations for the Pregnancy Resource Center. This project was headed by our Right to Life chairman Wade Poole. He was ably assisted by his wife Nancy and their four children. Assisting in the collection on Father's Day, were brother knights and wives, Bruce and Tess Zaepfel, Ray and Barbara Madore, and Norman and Barbra Beat, along with several other parishioners. Many thanks to all for helping such a worthy cause.

On the first weekend of June, brother knights and wives along with several family members worked setting up and taking down booths, traffic signs and other devices for traffic control, in addition to working various in booths and the chicken dinner at the St. Margaret Mary Parish Picnic. Our main feature was Fr. Steve Pohl who dared the elements and was the target for a couple hours each night in the "dunking booth" taunting the kids and those wishing to get him wet. Along with Fr. Pohl, brother knights and wives also helping were Mike Clancy, Ray Madore, Wade and Nancy Poole, Bruce and Tess Zaepfel, and Norman and Barbra Beat. The weather was rather warm but all had an enjoyable time. Thanks for helping make the picnic a success.

Norm Beat

Deadline for submissions for the August newsletter is July 22, 2011
